# Hafez Risad

Freelance Frontend Developer  
Dhaka, Bangladesh

## Summary

Hi there thanks for visiting my page

I'm a Frontend Web Developer Build scalable client-side web applications with modern features I convert data to a graphical interface, through front-end technology so that users can view and interact with that data. I enjoy working with talented people to create digital products for both business and consumer use. I also like sharing content related to the stuff that I have learned over the years in Web Development so it can help other people
